Dear Ms. Dortch

I have property that I am concerned about being devalued
by the CTIA's petition .

I have worked in the past to not have cell towers built
near my property and will continue to do so. It is
wrong.
It is dangerous to health of residents.

Look at this video.

Do you want a cell phone tower next to your house???

BE honest.

Do not let this petition pass and hurt the health as

well as the property value of the public like you and

Me!

Sincerely,
